

Nubo

GamFratesi

With NUBO, aesthetic astonishment is provided by the unexpected meeting of the 'déjà vu' and a surprising new element: the simple space-saving wall shelf metamorphoses into a treasure box, evocative of a suitcase such as the Air France blue fabric travelling case of the 1960s. Its rounded cloud shape and luminous yet warm association of natural oak and sky blue wool fabric also fall into the same vintage Scandinavian register. Both an occasional desk and a decorative wall-mounted element of compact dimensions (depth 14 cm), NUBO offers, when open, a functional work surface equipped with a cable slit and a retaining bar for documents. Structure in natural oak veneered beech multi-ply. Exterior of work surface covered in polyether foam and upholstered in aquamarine-coloured Divina wool (colour MD 813), or in any other colour of Divina by special order. Held open by 2 metal struts and held closed by magnets. Internal retaining bar and cable slit.
