

TADEO. Design: EOOS.

Tadeo embodies the fundamental nature of stability. The masterly table top sturdily rests on the recessed base. The table can be extended in no time at all. Choose from variants with and without the extending mechanism, with solid wood legs or painted aluminium side framework.

Table top

Solid wood with cross-wise grain:
- oak white pigmented, oiled (.10wo).
- oak fumed, oiled (.13wo).
- oak burned, oiled (.14wo).
- nutwood with sapwood inclusions, oiled (.99wo).
Top thickness: 46 mm (including raised edge).

Extension leaf: same material as table top, veneered cross-wise.

Table legs and base

Table legs in solid wood:
- oak white pigmented, oiled (.10wo).
- oak fumed, oiled (.13wo).
- oak burned, oiled (.14wo).
- nutwood with sapwood inclusions, oiled (.99wo).
With synthetic glides.

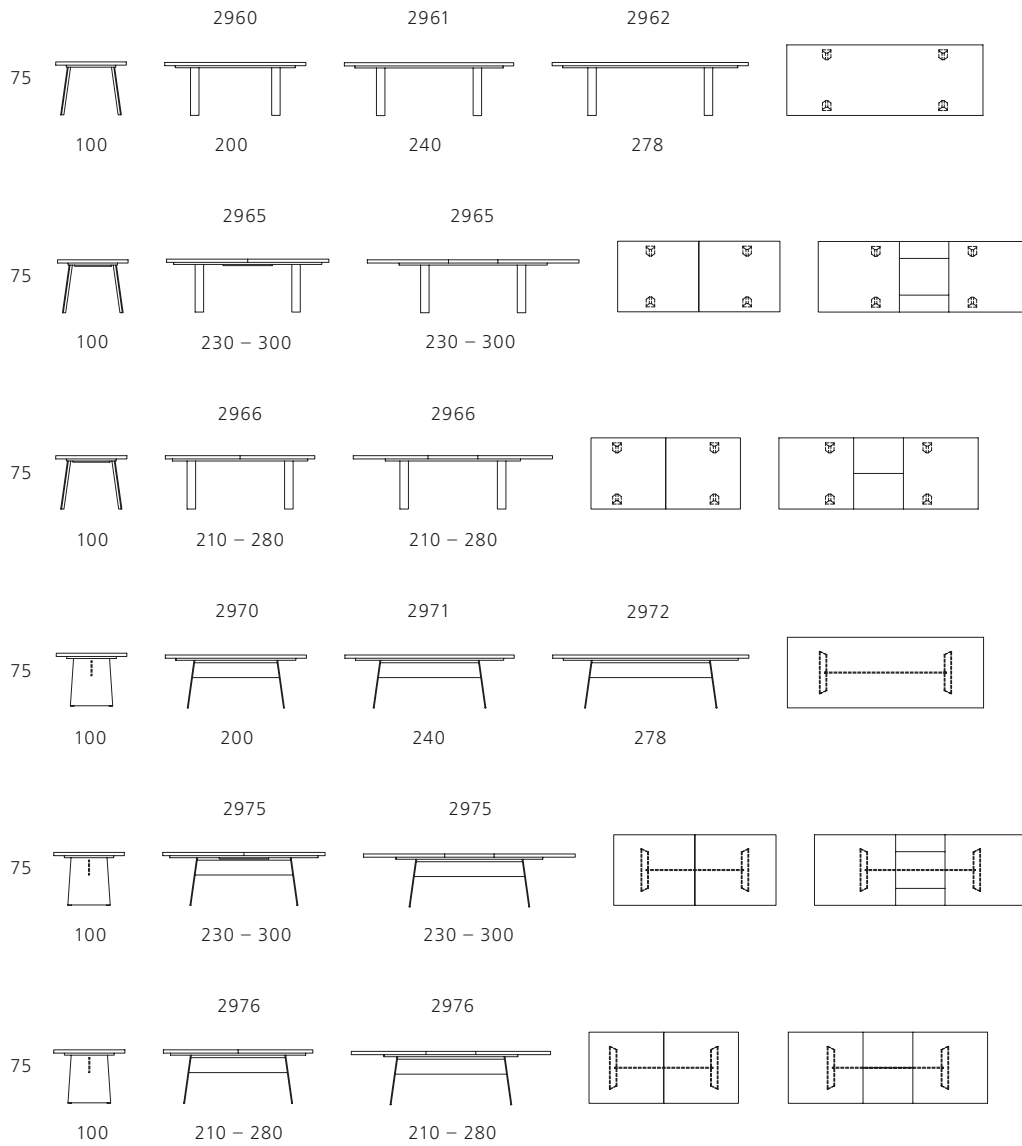

Panel legs: aluminium powder-coated bronze matt.
With synthetic glides.

Mechanism

- When the two main leaves are pulled apart, the integrated leaf becomes visible.
- Pull out the leaf using the recessed grip and open it out.
- Then push the two main leaves together again.
- The leaves close softly and gently as if helped by an invisible hand. The mechanical softclosing action takes care of this.

TADEO.
